

Supergods: What Masked Vigilantes, Miraculous Mutants, and a Sun God from Smallville Can Teach Us about Being Human

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

SUPERGODS: WHAT MASKED VIGILANTES, MIRACULOUS MUTANTS, AND A SUN GOD FROM SMALLVILLE CAN TEACH US ABOUT BEING HUMAN

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. From one of the most acclaimed and profound writers in the world of comics comes a thrilling and provocative exploration of humankind's great modern myth: the superhero. The first superhero comic ever published, Action Comics #1 in 1938, introduced the world to something both unprecedented and timeless: Superman, a caped god for the modern age. In a matter of years, the skies of the imaginary world were filled with strange mutants, aliens, and vigilantes: Batman, Wonder Woman, the Fantastic Four, Iron Man, and the X-Men the list of names is as familiar as our own. In less than a century, they've gone from not existing at all to being everywhere we look: on our movie and television screens, in our videogames and dreams. But what are they trying to tell us? For Grant Morrison, arguably the greatest of contemporary chroniclers of the superworld, these heroes are powerful archetypes whose ongoing, decades-spanning story arcs reflect and predict the course of human existence: Through them we tell the story of ourselves, our troubled history, and our starry aspirations. In this exhilarating work of a lifetime, Morrison draws on art, science, mythology, and his own astonishing journeys through this shadow universe to provide the first true history of the superhero why they matter, why they will always be with us, and what they tell us about who we are. and what we may yet become. Grant Morrison is one of the great comics writers of all time. I wish I didn't have to compete with someone as good as him. Stan Lee.
