Penguin Putnam Inc. Paperback. Book Condition: new. BRAND NEW, Flicker & Burn, T. M. Goeglein, Sara Jane Rispoli is still searching for her missing family, but now instead of fighting off a turncoat uncle and crooked cops, she's running from creepy beings with red, pulsing eyes and pale white skin speeding through the streets in ice cream trucks; they can only be described as Ice Cream Creatures. While she battles these new pursuers, she's also discovering more about her own cold fury and more about the Chicago Outfit - how old murders and vendettas might just be connected to the disappearance of her family. But connecting the dots is tough and time-consuming and may finally ruin her relationship with Max. Seeing her mother's amputated finger and being whistled in by the head of the Chicago Outfit make romance unthinkable. The only thing that matters is finding her family and keeping everyone she loves alive.
