## Look and Learn with Little Dino: Count 123

By -

Anness Publishing, United Kingdom, 2014. Board book. Book Condition: New. Jan Lewis (illustrator). 156 x 128 mm. Language: English . Brand New Book. Meet Little Dino and all his prehistoric pals as they help you with numbers and counting in this chunky, soft-to-touch boardbook. Each number is illustrated by Dino and his friends, such as 2 dinosaurs with muddy feet, or 6 dinosaurs out and about - I bet you never knew dinosaurs could drive! This interactive book has been specially designed for young children and adults to enjoy together, with a wipe-clean cover and sturdy board pages. You can learn to count and recognize numbers, and have fun! Don't be frightened! Unlike the dinosaurs you may have seen in the movies, Little Dino, the young Tyrannosaurus, isn't scary at all. His friends are very nice, too - including a blue Brontosaurus, a red Triceratops and a bright green Stegosaurus. There's no need to be frightened by mathematics, either, because Dino and his chums are here to help you with counting - from one dino with a long neck to ten dinos on a train. Along the bottom of each page is a list of figures showing...

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).*
