Huevos y La Mujer Latina: The de-Masculinization of the Macho

By Julian Camacho Segura

Floricanto Press. Paperback. Book Condition: New. Paperback. 116 pages. Dimensions: 8.4in. x 5.5in. x 0.2in. Huevos is not a politically correct articulation of the plight of Latino men in this era of so called gender equity and diversity. The author contends that while White women have made progress, Latinos, particularly Mexican men, have been entirely ignored; they have become the epitome of the poor working class. Ambitious and upward mobile Latinas often look down upon Latinos, and particularly Mexican males lackluster economic success preferring other males. Latino males have been left out of any gender or racial discussion, yet suffer the highest work related death rates, lowest college attendance and graduation rates, high incarceration rates, the highest poverty even though they have the highest labor participation rates. The Latino male have become the Sisyphus of America condemned to low wages by globalization, to ignorance by mediocre, highly-unionized schools, and destined to be marginalized of any equity-political-solution. The progress of White women has maintained White power by driving the diversity dialog, praxis, and remedy away from Latino males-the working, and uneducated poor. As Latino men have been relegated to a caste style social gender structure-the hard working indigent-Latinas have been blinded into...
