Tables: Metrological, and Physical, Prepared for the Smithsonian Institution (Classic Reprint)

By Arnold Guyot

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tables: Metrological, and Physical, Prepared for the Smithsonian Institution A Quarter of a century has now elapsed since the publication of the (the third) edition of Dr. Guyot's Meteorological and Physical Tables. This forms the first of an early projected series of Tables of Constants to which the Smithsonian Institution is gradually making important contributions. None has been in more general demand than this collection, and to its improvement and extension Prof. Guyot gratuitously devoted a large amount of time and laborious attention. The first edition, published in 1852, comprised 212 pages. Five years later (in 1857) a second edition was published, with careful revision by the author; and the various series of Tables were so enlarged as to extend the work to over 600 pages. A third edition was published in 1859, with further amendments. To this, the author, with untiring industry, has been making constant additions; and the present issue projected by him in 1879 - from various delays occasioned by pressing professional occupations, as well as by illness and death in...
