HarperCollins Publishers (Australia) Pty Ltd, Australia, 2007. Paperback. Book Condition: New. 188 x 136 mm. Language: N/A. Brand New Book. Good parenting doesn't come from a textbook; it comes straight from the heart. I don't think Dad had entirely given up on the idea of starting over. I think he probably decided to struggle on hoping something would turn up, just as he had after his first marriage broke up, and then his second. I just don't think he planned on me being the something that turned up. At fourteen, when Sarah Bryden-Brown's family fell apart, she went to live with her father, advertising genius and bon vivant John Bryden-Brown, trying to establish a stable household against the incoming tide of Sarah's adolescence and her dad's battle with alcohol and a third marriage gone wrong, the two of them formed a lifelong if unorthodox bond that shaped the author's life. A bittersweet story about an unlikely family unit, *Dad and Me* will resonate with anyone who has watched parents tumble off their pedestal and become ordinary people - flawed but lovable, and reassuringly human.
