Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE MAVERICK REPUBLIC

Lotus/Roli Books, New Delhi, India. Softcover. Book Condition: New. An alarming paradox emerges from witnessing prevalent national currents over the past three decades. The ominous paradox is that despite the demonstrable political wisdom of the humble voter and the valiant attempts of the common citizen to seek a semblance of material progress and social equity, those with money, power and influence have relentlessly pushed the country into a wildly individualistic quagmire of greed, self-indulgence and cruelty. A country where there are no standards, no rules or principles to carry out even the simplest transaction, where everything is permissible, where anything goes. The largest democracy has become The Maverick Republic. Printed Pages: 240.
