Brand New Book ***** Print on Demand *****.This report provides results of a collaborative partnership by the Port St. Lucie, Florida Police Department and Dr. Rachel Boba that sought to increase the effectiveness of crime reduction efforts of the agency over seven years through a practice-based evidence approach. The creation of a new organizational model for crime reduction called the Stratified Model of Problem Solving, Analysis, and Accountability was developed and implemented. Two themes come out of this work-the importance of practice based-research approach and strong leadership to drive organizational change.
