Hyperion, United States, 2016. Hardback. Book Condition: New. Marla Frazee (illustrator). 205 x 145 mm. Language: English . Brand New Book. Waylon has lots of ideas for making life more awesome through science, like teleportation, human gills, and attracting cupcakes by controlling gravity. But it s impossible for him to concentrate on his inventions when he s experiencing his own personal Big Bang. Arlo Brody is dividing the fourth grade boys into two groups. Waylon would rather be friends with everyone. Well, everyone except the scary new kid, Baxter Boylen. Waylon s older sister, Neon, is shooting away from the family. He wishes everything would go back to the way it was before she started wearing all black and saying What s the point? all the time. Just when it looks as though Waylon s universe is exploding, something happens to bring it all together again, and it is, without a doubt, One Awesome Thing.
