## Natal Planets and Fatal Diseases

By Mridula Trivedi & T.P. Trivedi

Chaukhambha Publications, New Delhi, India, 2009. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Planetary constellation at birth determines the best and the worst, the good and bad that continue to happen in human life. Whether it is prime of Health or fatal diseases it's all due to natal planets, their movements, positioning, aspecting, ascendancy and unique combination. Natal charts depicting the situation and placement of planets are indeed powerful tools to decipher the highs and lows, the ebb and flow of life's rich diversity. The placement of the planets in the horoscope of several persons has been studied to establish the humane nature of the discipline of astrology. Shri T.P. Trivedi recounts a tell-tale anecdote. The parents of a boy who had weak eye sight due to an accident in the early childhood, asked him about his career and educational prospects. The boy had got good Medical treatment and as such the parents thought he was fully cured. Shri Trivedi's study of the boy's horoscope hinted at something else, based on this he made a query whether the boy was suffering from loss of vision in the left eye. The parents laughed at him. He called the...
