The studies were begun in response to Assembly Concurrent Resolution No, 27, adopted by the Senate and the Assembly in the I 966 First Extra Session. The resolution requests that the Department of Water Resources expend \$20,000 . . for an action program of investigation to enable the Department to present to the Legislature for review specific recommendations as to all necessary local, as well as other, flood control and water conservation and development facilities, primarily on the Smith, Mad, and Van Duzen Rivers and the South Fork of the Eel River, which the Department determines must be constructed to accomplish overall basin development of such rivers. This report includes a preliminary evaluation of local problems and specific plans for the solution of these problems. It also describes a proposed future program to evaluate in detail these plans and similar plans in other basins in...
