Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

DISAPPEARING ACTS

Signet, 2002. Mass Market Paperback. Book Condition: New. In this funny, gritty urban love story, Franklin and Zora join the ranks of fiction's most compelling couples, as they move from Scrabble to sex, from layoffs to the limits of faith and trust. Disappearing Acts is about the mystery of desire and the burdens of the past. It's about respect, what it can and can't survive. And it's about the safe and secret places that only love can find.
