

Edexcel GCSE (9-1) Combined Science: Student Book

By Mark Levesley, Iain Brand, Susan Kearsley

Pearson Education Limited, United Kingdom, 2016. Paperback. Book Condition: New. 273 x 219 mm. Language: English . Brand New Book. This Student Book uses the Pearson Checkpoint learning approach, which has been designed to help students to develop the skills required for the exams. The Checkpoint Teaching and Learning approach will help students to remember the key learning points from each topic, and to use their learning to apply, analyse and evaluate in new contexts. This support will help to develop the full range of skills that will be assessed in the exam. Other key features of the Student Book include: * a Preparing for the Exam section at the end of every Topic, to help students understand how six mark questions will be assessed * worked examples for Physics Equations to support students in the recall and application Physics equations * Core Practical pages that give students the opportunity to practice answering practical-based exam questions * Questions that are all rated on a scale of 1 to 12 using the Pearson Steps system, encouraging students to answer increasingly difficult questions as they progress through the course.

Reviews

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.

-- **Curtis Bartell**

The book is straightforward in study better to comprehend. It is really simplistic but unexpected situations in the fifty percent of the ebook. Its been written in an exceptionally simple way which is simply after i finished reading through this ebook in which basically altered me, affect the way i really believe.
