Rudd. who was chosen as trustee, in place of the late Dan P. Ellis.--Clezeireland Leader, May 11, 1904. INSANE AND BRUISES. It is well known to alienists that the chronic insane, especially those of advanced age, are subject to discolorations of the skin, without violence, that simulate severe bruises. And they also not infrequently develop bone degeneration of the insane, especially in the ribs, which leads to fractures from very slight causes in no wise connected with violence. It does not necessarily follow, therefore, that insane persons who are found with their ribs broken and skins discolored have been unduly knocked about, and an unscrupulous lunatic whose bones and skin have degenerated can get the worthiest attendants into undeserved trouble.----Dr. Austin Flint in Detroit Journal May. 5 1904.
