Amsterdam Addison-Wesley Longman, 2003. Taschenbuch. Book Condition: Neu. Gebraucht - Sehr gut Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - Real World Digital Video covers the latest technology--and techniques--in every phase of video production, delivering industrial-strength techniques for everyone from home video hobbyists to media professionals. This practical resource explains how to capture professional-quality images and sound; edit, post process, and add special effects; and distribute video on tape, DVD, or streaming Internet media. Unlike competing books that focus primarily on feature-length motion pictures, Real World Digital Video draws many of its examples from practical communication projects in businesses and organizations: news-style interviews, product presentations, documentaries, and event coverage, as well as scripted presentations with business messages, and experimental and fictional films. Real World Digital Video promotes DV's 'democratization' of video and film--making the powerful tools of mass communication more economical and accessible than ever before.Plus, a companion DVD comes packed with examples of a video interview, a documentary, and a scripted project, in addition to on-camera interviews with DV experts, software demos, and useful production forms and templates that all video makers can use to make their jobs instantly easier. 434 pp. Deutsch.
