Concrete examples from our practices show you how to get everyone on the same page from the start as you form the team. You'll find pointers for refocusing an effort that's gone off in the weeds, and practices for working with teams as complex systems. Focused conversations help the team align, form, and build enough trust for collaborating. You'll build a common understanding of the team's context within business goals. Every liftoff is unique, but success is common!.
