Bantam Doubleday Dell Publishing Group Inc, United States, 1992. Paperback. Book Condition: New. New edition. 173 x 99 mm. Language: English . Brand New Book. A WORD FROM LOUIS L AMOUR Almost four decades ago, when my fiction was being published exclusively in pulp western magazines, I wrote a number of novel-length stories, known back then as magazine novels. In creating them, I lived with my characters so closely that their lives were still as much a part of me as I was of them long after the issues in which they appeared went out of print. Proud as I was of how I presented the characters and their adventures in the pages of the magazines, I wanted to tell the reader more about my people and why they did what they did. So, over the years, I revised and expanded these magazine works into novels that I published as full-length paperbacks under different titles. These particular early magazine versions of my books have long been a source of considerable speculation and curiosity among many of my readers, so much so of late, that now I ve decided to bring four of my magazine novels back into print in this latest volume of my short fiction. I hope you enjoy them. **FEATURING Showdown Trail A Man Called Trent The Trail to Peach Meadow Canyon The Rider of the Ruby Hills.**
