Wipf Stock Publishers, United States, 2015. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book ***** Print on Demand *****.Timothy C. F. Stunt has gathered a range of his essays, both published and unpublished in a collection of largely biographical studies. His subjects range from discontented Quakers hesitating over their identity, to respectable Anglicans who were fascinated with the charismatic phenomena of tongue speaking and healing. Some of the characters with whom he is concerned can be described as mavericks on account of their strikingly individualist inclinations. Occasionally their unpredictability takes on a quasi-comic identity, which could even qualify them to be described as loose cannons. On the other hand, some of them like Edward Irving, Norris Groves, and John Darby played a crucial part in the development of nineteenth-century evangelicalism. In their quest for the ideal church of their dreams, they were often disappointed but one cannot but admire the single-mindedness of their quest. Those who wish to follow a thread through the now-obscure environs of early nineteenth century British Protestant religious dissent will find a surefooted guide in Timothy Stunt. The Elusive Quest of the Spiritual Malcontent supplies an anthology of some of the best of Stunt's writings, penned over a half-century. How fluid were the lines separating established parish church, dissenting chapels, and the rising Restorationist movements! -- Kenneth J. Stewart, Covenant College author, Restoring the Reformation: British Evangelicalism and the Francophone Revival Evangelicalism has produced a multitude of seekers and finders, who exerted to the full their right of private judgment when traveling along their spiritual track in search of an ideal church. Religious history is often written from the perspective of the big battalions and Stunt's lively and deeply researched book offsets this bias by rescuing from near oblivion...
