Michael O Mara Books Ltd, United Kingdom, 2015. Hardback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Modern man may know how to send an email, play games on his phone and moisturize occasionally, but when it comes to life s proper skills - the ones that all dads and granddads seem to know off by heart - he is left scratching his head and feeling useless. However, luckily help is at hand. The Manly Man s Handbook does exactly what it says on the cover and will teach you all the essential skills you need to show off your manliness and feel a bit less rubbish. Learn practical skills such as how to fix a dripping tap, carve a Sunday roast and rugby-tackle a thief; show off your masculinity by ripping a phone book in half and winning an arm wrestle; and reveal your sensitive side by learning how to hold a baby properly and mastering the basic dance steps. Covering all of the vital yet often overlooked skills required of the modern-day male, this man-sized selection of skills will leave you feeling strong, confident - and manly.
