Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Brand New Book ***** Print on Demand *****.Excerpt from Alabama Technical Institute and College for Women Bulletin, Vol. 14: Catalog 1920-1921 (1) To teach the principles of the liberal arts and sciences, and their application to home-making; (2) to enable young women to do effective work as teachers, extension and social workers; (3) to train young women to be self-supporting through proficiency in the industrial or fine arts; (4) to inculcate in the young womanhood of Alabama ideals of character and culture so that they may carry forth into the state the blessings of strength, ability and refinement. This college was established by the state exclusively for the education of its girls. The need of such an institution has been shown beyond question by the popularity which has been its share from the beginning. From the first its capacity has been taxed to the utmost, and it has been difficult to provide accommodation for students seeking admittance. Training School The Training School has 308 pupils and six teachers. Four of the teachers are in the elementary grades and two in the high school department. In addition, each grade has work in the following technical subjects: foods, clothing, industrial art, music, and physical training. The physical training includes supervision of the playground. Each grade in the school will have during the coming year a period of supervised play every day. As far as possible, the technical work is supervised by the teachers of the corresponding departments of the college. The training school offers peculiar advantages to the student in education in that it is a distinct unit working independently and yet in harmony with the purposes of the college. This fact provides an opportunity for...
