

A Perfect Creation by a Perfect Creator

By Louis C. Ramirez

Holy Fire Publishing. Paperback. Book Condition: New. Paperback. 174 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. The one billion dollar question for Science is the origin of life. And the one question Religion cannot answer to Science is the difference between Creation and Life and The Creator, which are evolution and death. They say; if we were created in HIS Image and Likeness, how come HE never dies and we do, and since HE is Perfect HE never changes and we do. Find out the answer to these questions backed up by Scripture and Science, which is cause and effect, plus energy life, which is the same as (E) electromagnetic energy or (spark) spiritual body, and chemical energy which is the flesh. Nothing can live without the spark or electrical, because otherwise the body would be mechanical only, or robotic, and without free will and no true life! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
