Nearly every Christian parent in America would give anything to find a viable resource for developing within their kids a deep, dynamic faith that sticks long term. Sticky Faith delivers. Research shows that almost half of graduating high school seniors struggle deeply with their faith. Recognizing the ramifications of that statistic, the Fuller Youth Institute (FYI) conducted the College Transition Project in an effort to identify the relationships and best practices that can set young people on a trajectory of lifelong faith and service. Based on FYI findings, this easy-to-listen-to guide presents both a compelling rationale and a powerful strategy to show parents how to actively encourage their childrens spiritual growth so that it will stick to them into adulthood and empower them to develop a living, lasting faith. Written by authors known for the integrity of their research and the intensity of their passion for young people, Sticky Faith is geared to spark a movement that empowers adults to develop robust and long-term faith in kids of all ages.
