MENTAL HEALTH NURSING

2009. Hardcover. Book Condition: New. 360 This book identifies all the essential skills that are believed to be fundamental to the practice of mental health nursing. These skills can be used with different patients and service users and transferred, like a toolkit, between the many settings and services with which mental health nurses today are involved. This book is organized chapter-wise according to the revised syllabus prescribed by the Nursing Council of India. The focus is on developing the students...
