

Belgium: Investment Climate Statement 2015

By United States Department of State

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Kingdom of Belgium (Belgium) is a nation located in Western Europe. In 2015, the Belgian economy is expected to grow 1.1 percent, this is likely driven by rising household consumption and business investment. Lower energy prices and interest rates, and a favorable EUR/USD exchange rate are all expected to stimulate economic growth expectations and fuel exports, especially given Belgiums unique position as a gateway hub to Europe. However, the recovery remains fragile: weak consumer confidence, low competitiveness and continued economic slowdown in the euro area may constrain growth prospects, and a highly rigid labor market and complicated tax regime remain impediments to investment.AssetsBelgium boasts an open market well connected to the major economies of the world. As a logistical gateway to Europe, host to EU institutions, and a central location closely tied to the major European economies, Belgium is an attractive market and platform for U.S. investors. The Belgian government was active in the rescue of its major banks and the financial markets have largely stabilized, following reductions in bank debt and exposure to...
