This hearing will be held on Monday, March 8, 1993, beginning at 2:00 p.m., in B-318 Rayburn House Office Building. In announcing this hearing, Chairman Stark said, Billions of dollars each year are being drained from our health care system through fraud and abuse. We must ensure that all possible efforts are made to eliminate these massive rip-offs by unethical doctors, laboratories, and others providers. Oral testimony will be heard from invited witnesses only. However, any individuals or organization may submit a written statement for consideration by the Subcommittee and for inclusion in the printed record of the hearing. Background: President Clinton has focused national attention on the problem of controlling the rising costs of health care. Health care costs have escalated to more than \$900 billion this year. According to a recent report by the General Accounting Office (GAO), as much as 10 percent of health care costs, or \$90 billion, is lost each year because of health care fraud and abuse. According to the GAO, efforts to detect and prosecute health insurance improprieties are meeting with limited success. Recently the GAO released a report that examined the rolling lab scheme in California. This report found that over the past 10 years, the scheme resulted in \$1 billion of...
