# Reviews

Basically no phrases to describe. I was able to comprehended everything out of this published e ebook. You can expect to like the way the author compose this ebook. (Mrs. Novella Will)

## **MARS EVACUEES**

Egmont UK Ltd. Paperback. Book Condition: new. BRAND NEW, Mars Evacuees, Sophia McDougall, The fact that someone had decided I'd be safer on Mars, where you could still only sort of breathe the air and sort of not get sunburned to death, was a sign that the war with the aliens was not going fantastically well. When Alice Dare finds out that she's being evacuated to Mars to join the youth defence force, she isn't sure what to expect. But it sure wasn't being shot at, chased by invisible aliens, befriending a robot goldfish - and then having to save the galaxy! It is a stellar new adventure sci-fi series, perfect for fans of Percy Jackson and Artemis Fowl.
